

Join Us for Coffee & a Chat

a digital opportunity to learn, share, and connect with your community from the comfort of your home!

We are pleased to announce our first-ever online Coffee & A Chat series. We'll discuss everyday topics like brain health, staying well while staying at home, financial planning, and the coronavirus.

After the presentation, you'll be able to ask your questions directly to our speakers. And afterwards, we'll all come together (digitally, of course!) to just talk and have a little fun.

Please go to wai.wisc.edu/milwaukee to register. Or, you can leave a message at (414) 219-5124 (be sure to leave an email address!).

See back side for the schedule & list of speakers! Please feel free to share these events with friends & family.
