BRAINBRAIN&BODY

Our keynote speaker:
Sylvia Mackey

Sylvia Mackey is the wife of Pro Football Hall of Famer, John Mackey, #88 of the Baltimore Colts (1963–1971). John was diagnosed with Frontotemporal dementia (FTD) and passed away in 2011 at the age of 69. As a caregiver, Sylvia became an advocate for John and others with dementia, as well as a renowned speaker on FTD and its impact on patients and their families.

MACKEY 88

WISCONSIN ALZHEIMER'S INSTITUTE

The Wisconsin Alzheimer's Institute (WAI) at the University of Wisconsin is making an impact through world-class research seeking to unravel the mysteries underlying dementia, and by providing state-of-the-art outreach, education and supportive care services to individuals and families impacted by Alzheimer's disease and other dementias.
