## **Beyond the Day-to-Day: Exploring Opportunities to Impact Clinical Care**

1

### **What comes to your mind when we say research?**

2

## But research can take multiple forms...

- Survey
- Interviews
- Be part of advisory board
- Sharing your experience so that other learn from it.

3

Find new treatments

Quality Improvement

Reduce Cost

Improve QoL

Workforce Development

4

## What are we doing?

1. Get into groups
2. Brainstorm ideas to answer one of the following questions:

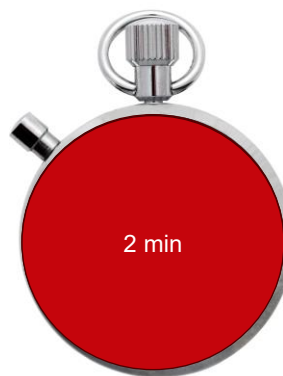

***What are some research questions you might like to see addressed by future projects?***

**OR**

***What would you like to try to improve patient care?***

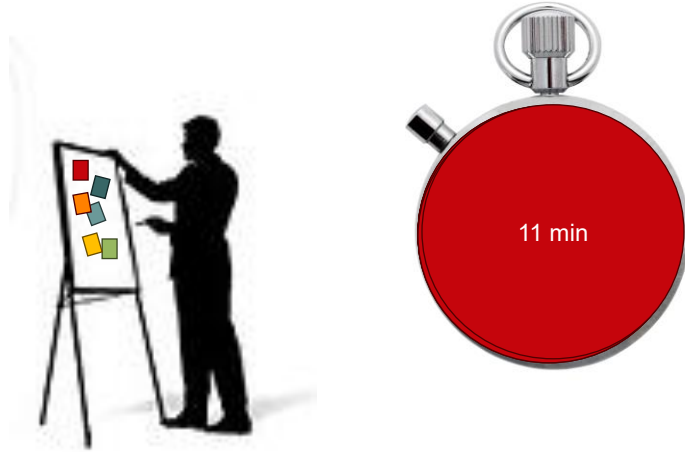

5

## Brainstorm

6

## Brainstorm as a team
