Wisconsin Dementia Resource Network

Webinar Topic: ***Giving Voice Network***

Presenter: Jackie Hanson
Director of Education &
the Giving Voice Network

When: **Thursday, October 23, 2025**
Noon - 1:00pm

The Giving Voice Network is a collection of choirs from around the world that are specifically designed for and comprised of people living with dementia and their care partners. Through regular rehearsal and performance, these choirs foster joy, well-being, purpose, and community understanding.

This webinar will focus on:

- what the network is and examples of choirs in the it
- how it aligns with the *Giving Voice* mission
- how to access the *Giving Voice Toolkit*, a how-to guide to starting a dementia-friendly community chorus
- how you can get involved, including how choirs can join the *Giving Voice Network*
